Square 1035 Lot 0087

Dear Board of Zoning Adjustment:

I am the neighbor directly across the alley from Chris Boehmler who lives at 1350 East Capitol Street, NE. They have shared the drawings of the proposed construction that have been submitted with their application to the Board of Zoning Adjustment. I have reviewed the drawings and fully support the proposed work. I recommend that BZA grant the request for special exception.

Sincerely,

Amber Gove
