Letter of Support for the Expansion of Child First Step LLC

To Whom It May Concern,

I am writing this letter to enthusiastically recommend the expansion of Child First Step LLC from an expanded-home program to a full-scale child development center. I have known Rosilene Ribeiro and her child care program for the past year, since becoming pregnant in 2025 and searching for high quality childcare options. We are currently on the waitlist at Child First Step, for our 6.5 month old daughter, and are eagerly awaiting the approval of the expansion of Child First Step so we can enroll our daughter there. I know two neighbors personally who wholeheartedly recommend Child First Step and vouch for their exceptional quality, commitment to child development and early learning, and positive impact on the children and families they serve.

As I learned firsthand last year, the demand for quality childcare in our area is significant, and the expansion of Child First Step LLC into a center would be a vital step in addressing this unmet need. This expansion will allow Child First Step LLC to serve more children, potentially at a higher capacity for learning and development, and will bring the following benefits to our community:

1. **Increased Access to High-Quality Care:** The center will provide more opportunities for families to access reliable and enriching early childhood education.
2. **Enhanced Program Offerings:** A Child Development Center will allow for a broader range of educational activities, professional staff, and improved resources, further supporting children's growth.
3. **Economic Benefits:** The creation of a center will generate local jobs and contribute to the community's economic vitality.

Rosilene Ribeiro's dedication to child development, combined with her strong track record, makes her an ideal candidate to lead this expansion. I am confident that the new child development center will be an invaluable asset to the community, continuing to provide exceptional care and support to young children and their families.

I strongly urge you to approve this expansion and support Child First Step LLC in its growth. I am available to provide further information or answer any questions you may have regarding this recommendation.

Sincerely,

Caitlin Rosser
