I have lived in this neighborhood for approximately 50 years.

Based on my personal knowledge and observations during my time living in the neighborhood, I am familiar with the property located at **133 Galveston Place SW, Washington, DC 20032**.

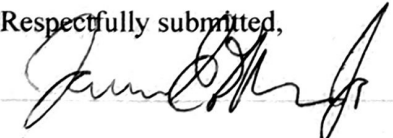

To the best of my knowledge, this property has been used as a 4-unit apartment building for many years, over the past 30 years, and its use as an apartment building has not had any negative impact on the community.
