BZA Case nu: 21452, re. request for special exemption 3817 Jennifer Street

Subject: Statement of retraction of prior letter of support

Dear Board of Zoning Adjustment,

I am writing to retract the form letter I signed that has been filed as a statement of support for a special exemption for construction at 3817 Jennifer Street. At the time I signed the letter I had not been aware that there were neighbors who are directly impacted by this construction that were opposed to it for reasons of interfering with their ability to enjoy the privacy of their homes. My signature was intended simply as a statement of support in principle for the ability of homeowners to enjoy relative freedom to make upgrades to their properties. In the intervening months I have learned that neighbors who are directly impacted by this construction have significant concerns. As I am not directly impacted by the project, I withdraw my prior letter.

Many thanks for your consideration,

Nina Schou
