Re: Form 135 Correction - BZA Case No. 21465 – 1724 Potomac Avenue, SE

Dear Members of the Board:

On behalf of the Applicant in the above-referenced case, a revised Self-Certification form is being submitted to the record. As reflected in Exhibit 16, the Applicant previously removed relief related to the second principal dwelling unit in the accessory building from the application given that the relief was no longer needed under the omnibus regulations.

The relief was correctly removed from page 1 but was inadvertently not removed from page 2 of Form 135. This revised form corrects that clerical error and ensures that the self-certification accurately reflects the relief currently requested in this application.

Respectfully Submitted,

Alexandra Wilson
