Subject: 1812 Kilbourne Place NW rear deck

Date:

Commissioner Falk:

We are writing in support of the BZA application 21477 for the proposed rear deck at 1812 Kilbourne Place NW.

Eric Salzberg has informed us about the project, including documents submitted to the BZA, the architectural drawings, photos, and the Applicant Statement. I understand Eric is requesting a modest 10 foot deep deck off the rear main level of his home. The deck is similar in size & massing with many others along the row and we see no reason to object.

Thank you,
