Subject: ANC Letter of Support for [408 Constitution Ave NE](#)

To: Edith Shine <edithshine@gmail.com>

To Whom It May Concern:

We are writing in reference to the request submitted by our neighbors, Edith Shine and Mark Sherman, for a special exception from the lot occupancy requirements to construct a one-story screened rear porch addition, previously a deck, at [408 Constitution Avenue NE](#).

We live immediately to the west of Edith and Mark. They have told us of their plans for the addition and solicited our input. We support their request and urge that it be granted.

We do not believe this project will negatively impact light, privacy, or the general character of the rear yards that look out on the Peabody playground.

We respectfully ask that the request be granted so that our neighbors can move forward with their plans.
