To the Committee,

My name is David Thau and I live in Mt. Pleasant at 2001 Klingle Rd, NW. I am writing in support of the Special Exemption from the BZA for the Rock Creek Club. When we moved to Mt. Pleasant in 2024, we found exactly what we were hoping for-- a diverse, vibrant group of families who supported each other, rallied around each other, and worked toward the collective good. This is a true community in the greatest sense of the world. We love so much about our community in neighborhood, the events in Mt. Pleasant Plaza, the great bars, restaurants, and local businesses, and of course, the people, but the one thing that has been missing is a community center or a gathering place for families to get together for sports and social gatherings. A hub, so to speak, to bring together people and families with shared passions, and the Rock Creek Club could be exactly that. As a family with two small girls (4 and 2) having a community area for them to go, be with other kids their age outside of school and to play sports, learn new skills, and run free and be safe while being in the heart of the District and city life is exactly what we dreamed of when we moved to Mt. Pleasant. Having this be a place where we and our neighbors could walk to makes this opportunity even more enticing.

I hope that you can provide a special exemption to help make this dream a reality for our family and so many others in this great community.

Best,
David Thau
