To Whom It May Concern:

My name is Michelle Manket and I live at 2021 Park Rd NW in Mt. Pleasant with my husband and our two kids. We love calling this area home, and zoning approval of Rock Creek Club would only deepen our roots here.

Community and access to nature matter a great deal to our family, and they were primary reasons we moved here from NYC. Usually, finding a space like RCC means leaving the city altogether, so the idea of having one a short walk or bike ride away, where we can be active, social, and outdoors with friends and family, is something we're truly excited about. I believe it will be a wonderful addition to the neighborhood, one that brings the community together and gives all of us another reason to love living here.

Thank you for your time and for your service to our community. I hope you'll approve this proposal.

Warmly,
Michelle
