Dear Members of ANC 3C and the Board of Zoning Adjustment,

I'm writing to express my enthusiastic support for the proposed Rock Creek Club. I live in Mount Pleasant with my husband and our two young boys, ages 6 and 4. We spend a great deal of time in Rock Creek Park and feel incredibly fortunate to have such a wonderful resource so close to home.

I'm particularly excited about the possibility of having a welcoming, family-friendly community space nearby. I'd love for my boys to learn to swim and play tennis, and perhaps participate in summer camps as they grow older. While these opportunities certainly exist elsewhere in the city, there's something special about having them close to home, where families can build friendships and a real sense of community.

We're also avid cyclists and would plan to bike to the club regularly, as we already do for so many of our neighborhood activities.

I love the idea of Rock Creek Club becoming a gathering place for local families, bringing neighbors together around recreation, outdoor activities, and shared experiences. I believe it would be a wonderful addition to the community, and I hope to see it become a reality.

Thank you for considering my support.

Warmly,
Kristen Schubert
