To Whom It May Concern,

I'm writing on behalf of our family to share our strong support for Rock Creek Club. My wife Molly and I live at 3218 Woodley Road NW with our two children, Conrad (8) and Esmé (6).

One of the things we love most about raising our children in this neighborhood is how connected we are to nature, even in the middle of the city. Some of our favorite family moments are spent biking together, walking along the Klingle Valley Trail, and exploring Rock Creek Park. Having those experiences so close to home is something we never take for granted.

The idea of Rock Creek Club is particularly exciting to us because it brings together so many things we value as a family: being outdoors, staying active, making friends, and building a stronger sense of community. So often, we find ourselves leaving the city in search of places where our kids can run around, play, and enjoy the outdoors with other families. The opportunity to have a welcoming place like this practically in our backyard, somewhere we could walk or bike to together, would be wonderful.

We love our neighborhood and believe Rock Creek Club would make it an even better place to raise a family. We wholeheartedly support the effort and hope to see it become a reality.

Warmly,

Robert, Molly, Conrad & Esmé Gilbane
