I'm writing to express my support for Rock Creek Club and its application for a special exception from the Board of Zoning Adjustment (BZA), Case 21510.

As a Mt. Pleasant resident, one of the owners of Past Tense yoga studio, and parent of a sixth grader, I care deeply about building a strong, connected community. I believe we need more third places—welcoming spaces beyond home, work, and school where people can come together, build relationships, and feel a sense of belonging.

I love the idea of having a safe, welcoming place nearby where my son can eventually bike or walk on his own, meet up with friends, and have a little independence while still being close to home. It's really meaningful to have places where kids can build friendships and a sense of belonging outside of school and organized activities. I think Rock Creek Club could become that kind of place for our family and so many others in the neighborhood.

We anticipate getting to the club primarily by walking, and I'm excited about the possibility of having this kind of resource so close to home.

I respectfully encourage ANC 3C to support Rock Creek Club's application. Thank you for your consideration.

Thank you,
Kelly DiNardo
