Dear Board of Zoning Adjustment and ANC 3C,

I'm writing in strong support of the Rock Creek Club's application for a special exception to make Greystone a welcoming community space.

I'm a Washington, DC resident and a mother of two boys. I believe children and families benefit enormously from places where they can be active, spend time outdoors, and build real connections with neighbors. Access to nature and community spaces like this is precious in city life; too often, finding them means leaving the city. Rock Creek Club offers the chance to enjoy that kind of gathering place right here, close to home.

My family and I expect to visit primarily on foot, by bike, or by transit. I'm excited by the vision of a place where people of different ages and backgrounds can come together, enjoy the outdoors, and take part in an active, connected community. I support the Club's effort to make Greystone an asset for Rock Creek and the surrounding neighborhood for years to come.

Thank you for considering my support.

Sincerely,
Sonya Bryant
