To Whom it May Concern - I am writing in strong support of the Rock Creek Club's zoning application.

My name is Steve Abbott. My family (wife plus three children) live in Mt. Pleasant and our children all attend Bancroft ES. We are active members of our community, and my wife serves on the Bancroft PTO.

As an owner of a row house in Mt. Pleasant we have no off street parking, are a single car household and utilize e bikes for most of our short travel. Furthermore our backyard is tiny, limiting the activities we can use it for. The Rock Creek Club would unlock an amazing amenity for our community, essentially allowing for that extra space in nature that we sacrifice living close to the city center. Right now the Greystone Mansion is an unused single family property, and this exception will open up a much needed and desired community space.

Thank you for considering this request!
