To the BZA Commission:

I write in opposition to the proposed club in my neighborhood. My late husband, Sidney Harman, and I bought our home at 3550 Williamsburg Lane in 1980 and I continue to live there a substantial amount of time while also a resident of Venice CA. Our children attended DC schools, I served in Congress for 9 terms and, in addition to his government service and long business career, my late husband endowed the Harman Center for the Arts in downtown DC. As you are aware, our neighborhood is adjacent to Rock Creek Park and offers recreation to the general public while retaining the area's natural beauty and tranquility. This could change radically if a club for 250 members is built at the end of a rustic gravel path. I have seen the glut of traffic on my street during high holidays at Adas Israel and expect this and excessive noise to be the norm if the club is built. I respectfully urge that the club be moved to a location more conducive to its requirements. Sincerely, Jane Harman
