Re: BZA Variance Application — Stephen Gern, 1300 Taylor St. NE

Dear Members of the Board:

I am a neighbor of Poojitha Regulapati & Stephen Gern and reside within 500 feet of the subject property. I am writing in support of their application for a zoning variance to construct a storage shed at 1300 Taylor St NE.

I have lived in this neighborhood for 5 yrs. and am familiar with the character and scale of residential properties on this block. The proposed shed is consistent with accessory structures common to properties in this area, and I do not believe its construction would negatively affect property values, neighborhood aesthetics, or the quality of life for residents nearby.

I understand the applicant's property has physical constraints that make full compliance with the setback requirement impractical, and I think it is reasonable for the Board to grant the relief requested. I support this application and encourage the Board to approve it.

Sincerely,

1316 Michigan Ave NE, Washington DC 20017
