Re: Foreign Missions Application – Affidavit of Notification
Renovation of the Embassy of Saudi Arabia in Washington, D.C., United State of America
601 New Hampshire Avenue, N.W. (Square 19, Lot 823)

Dear Members of the Board:

I hereby certify that HOK has provided notice of the public hearing scheduled for Wednesday October 7th at 9:30am to Advisory Neighborhood Commission (ANC-2A) Commissioner Ed Comer regarding the proposed renovation of the Embassy of Saudi Arabia located at 601 New Hampshire Avenue, N.W., Washington D.C. (Square 19, Lot 823).

Please know that the Embassy of Saudi Arabia did not authorize HOK to formally post notice of this hearing, and any communication with the adjacent property owners was done through ANC-2A. From our communications with Commissioner Ed Comer, it is understood that the adjacent property owners as identified in the submitted D.C. Radius Map area are aware of the construction project:

Watergate 600 NHA LLC (and its affiliates)
1025 15th Street NW
Washington, DC 20005

Accordingly, to the best of HOK's knowledge, information and belief, notice of the renovation project to be presented at the public hearing required under Subtitle Y §§ 402.3 and 402.4 has been achieved.

Respectfully submitted,

10/02/26
