ABOUT KEVIN

Kevin, OTJ's Director of Architecture and QA/QC, is a registered architect with more than 25 years of experience. His vast portfolio includes full-service architectural and interior design for large-scale clients consisting of corporations, associations, law offices, tech firms, healthcare clients, and government agencies. Kevin's technical expertise is associated with some of OTJ's most complex and award-winning projects.

EDUCATION

Bachelor of Science, Architecture
University of Texas at Arlington

Associate, Computer Aided Design
Richland College
