

**Statement of Efforts with ANC and Neighbors**

The Applicant has reached out to Commissioner Katharine Nanavatty of Single Member District 3D05 regarding the proposed application and requested relief. The Applicant informally briefed the ANC at their regularly scheduled April 2021 meeting. During this meeting, the ANC expressed no concerns with the application. The Applicant will continue to communicate with the ANC Commissioner as the project moves forward and will formally present to the ANC once the BZA case number has been assigned. The Applicant will send the ANC a complete copy of the Application once accepted.

The Applicant has also reached out to his immediately adjacent neighbors who have expressed their support for the proposed rear addition. At the time of this Application, the adjacent, attached property was in the process of being sold. The Applicant will reach out to his new neighbors once they move-in.
