Re: Letter of Support for Special Exception for 1112 8<sup>th</sup> St NE renovation/addition

To Whom it May Concern:

As a next-door neighbor, I (insert name) give my full support for the Special Exception requested by Jonathan Lloyd Jones of 1112 8<sup>th</sup> St NE 20002 to construct a roof deck renovation/addition as proposed in their petition. The Special Exception requests relief from building height criteria of 35', which may be requested for building heights up to 40' within this zone. The relief granted by the Special Exception will not adversely affect my property and is within the spirit of the intent of zoning and compatibility criteria.

Please let me know if you have any questions.

Sincerely,

Faraz Farokhzad
