

## STATEMENT OF PUBLIC OUTREACH

Subject: BZA Application, 124 11<sup>th</sup> Street SE  
Sq 0989, Lot 0038

To date the homeowners have reached out to adjacent and block wide neighbors for support of the development and have received signed support letters from both adjacent neighbors at 122 11<sup>th</sup> Street SE and 126 11<sup>th</sup> Street SE. They have also received support letters from 119 12<sup>th</sup> St SE, 125 11<sup>th</sup> St SE, and 138 11<sup>th</sup> St SE.

We have shared plans and photos with Gabriela Gutowski at HPO as well as discussed the project in detail in anticipation of HPRB. We have also met with Steve Holtzman, representative of ANC 6B05, onsite to discuss the project in preparation for the ANC meeting. The plans, photos and lot occupancy details have been shared with some members of ANC 6B in anticipation of the ANC meeting.

The plans will be submitted to the ANC for review before going to BZA and HPRB. In order for the ANC to schedule the correct meeting for the renovation they need to know what the date of the BZA hearing is so they can schedule the meeting for the appropriate month.
