

**ATALLAH RESIDENCE  
BZA APPLICATION  
6111 Broad Branch Road, NW**

**Statement Of Existing And Intended Use**

The subject site is currently occupied by a two story brick single family dwelling on a full basement with a one story stucco and frame addition on crawlspace at the back of the house and a small deck to the North. The Applicant is proposing an addition to the residence that will extend the second floor to the East over the existing one story stucco portion. This residence is a permitted use in the R-1-B district and will remain a single family detached dwelling use.
