Chairperson Lewis,

I am writing on behalf of Stacy Roberts, owner of 15 Rhode Island Ave, NW. We recently submitted the attached documents to the BZA for a special exception and variance. The scope of work entails enclosing an existing, non-conforming screen porch. The zoning implications include a special exception for the side yard and rear yard, and an area variance for lot occupancy.

The owner has notified neighbors and received letters of support already. Can you please add us to your next available meeting agenda so we can present to the ANC?

Thank you very much.

Best regards,
Bill Putnam

Hi Bill — do you have a date at the BZA already?

Also — our upcoming meeting agenda has been published but we could add you to the October one, which is on October 15.
