Mr. Meyer,

I am writing on behalf of Stacy Roberts, owner of 15 Rhode Island Ave, NW. She's contacted you in the past about renovating the porch located in the side yard. Currently, the porch is screened. She would like to enclose it. Please see attached for some schematic plans and elevations we would like you to take a look at. Any comments are welcome.

Best regards,
Bill Putnam

This raises no HP concerns and is consistent with the advice I provided to Ms. Roberts. Submit corresponding permit drawings as part of a building permit application to DOB and I will approve once DOB refers it to me in the permit system.

Thank you. This will have to go to BZA, so I will get back in touch with you when we get through that and are ready to proceed with permitting.

Thanks,
Bill
