Conditions/ Restrictions: AN 'ABOVE GRADE' WALL CHECK IS REQUIRED BY THE BUILDING CODE FOR THIS BUILDING PERMIT AND MAY BE REQUIRED FOR REVISIONS THAT IMPACT THE BUILDING FOOTPRINT. The owner may not schedule a DCRA or Third Party foundation or framing inspection without a DCRA approved 'above grade' wall check. Before starting any land disturbance, you must complete a DOEE pre-construction inspection. To schedule, go to doee.dc.gov/SGS and click the "Request a Pre-Construction Inspection" button. Attach a copy of the issued DOB permit.																																		
This permit expires if no approved inspections have occurred within one year after the issuance date on this permit or 180 days for structures built under the Residential Code. A permit extension must be requested before the expiration of this permit.																																		
As a condition to the issuance of this permit, the owner agrees to conform with all conditions set forth herein, and to perform the work authorized hereby in accordance with the approved application and plans on file with the District government, and in accordance with all applicable laws and regulations of the District of Columbia. The District of Columbia has the right to enter upon the property to inspect all work authorized by this permit, and to require any change in construction which may be necessary to ensure compliance with the permit and with all the applicable regulations of the District of Columbia. Work authorized under this permit must start within one (1) year of the date appearing on this permit or																																		
If this permit was issued to a building built before 1978, it is subject to full compliance with the Lead-Hazard Prevention and Elimination Act, its associated regulations, and the EPA Lead Renovation, Repair and Painting Rule. To determine how to comply, visit the Department of Energy and Environment's Lead-Safe and Healthy Housing Division website at https://doee.dc.gov/service/environmental-applications-licenses-and-permits or contact them at (202) 535-2600 prior to beginning work under the permit. For more information on how to comply with EPA visit https://www.epa.gov/lead .
