Before starting any land disturbance, you must complete a DOEE pre-construction inspection. To schedule, go to doee.dc.gov/SGS and click the "Request a Pre-Construction Inspection" button. Attach a copy of the issued DOB permit.

Approved for fully sprinklered ADU.

This permit expires if no approved inspections have occurred within one year after the issuance date on this permit or 180 days for structures built under the Residential Code. A permit extension must be requested before the expiration of this permit.

As a condition to the issuance of this permit, the owner agrees to conform with all conditions set forth herein, and to perform the work authorized hereby in accordance with the approved application and plans on file with the District government, and in accordance with all applicable laws and regulations of the District of Columbia. The District of Columbia has the right to enter upon the property to inspect all work authorized by this permit, and to require any change in construction which may be necessary to ensure compliance with the permit and with all the applicable regulations of the District of Columbia. Work authorized under this permit must start within one (1) year of the date appearing on this permit or

If this permit was issued to a building built before 1978,

it is subject to full compliance with the Lead-Hazard Prevention and Elimination Act, its associated regulations, and the EPA Lead Renovation, Repair and Painting Rule. To determine how to comply, visit the Department of Energy and Environment's Lead-Safe and Healthy Housing Division website at <https://doee.dc.gov/service/environmental-applications-licenses-and-permits> or contact them at (202) 535-2600 prior to beginning work under the permit. For more information on how to comply with EPA visit <https://www.epa.gov/lead>.
