As a summary order, it does not constitute binding legal precedent on the Board and shall not be considered by the Board in evaluating future applications.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested special exception relief can be granted because:

- It is in harmony with the general purpose and intent of the Zoning Regulations and Map;
- It will not tend to affect adversely the use of neighboring property; and
- Pursuant to Subtitle X § 901.2(c), the relief satisfies the specified conditions for special exception relief.

DECISION

Based on the case record and the testimony at the hearing, the Board concludes that the applicant has satisfied the burden of proof for the requested relief and therefore **APPROVES** the following relief:

- Special Exception from the matter-of-right uses of Subtitle U § 301, pursuant to Subtitle U § 320.1(h) and Subtitle X § 901.2

Subject to the following **CONDITION**:

1. The project shall be constructed in accordance with the plans submitted as Exhibit 8A in the record,³ as required by Subtitle Y §§ 604.9 and 604.10.

³ **Self-Certification.** The zoning relief requested in this case was self-certified, pursuant to Subtitle Y § 300.6. In granting the requested self-certified relief subject to the plans submitted with the Application, the Board makes no finding that the requested relief is either necessary or sufficient to authorize the proposed construction project described in the Application and depicted on the approved plans.
