

Pledge to Contact Interested Groups

Thomas Dorsey for “Children in Safe Hands, LLC” pledges that he will contact the local Advisory Neighborhood Commission (ANC), community/civic groups, the Office of Planning (OP), and the adjacent property Owners to my location.

We have made initial contact with Delia Houseal, Chairperson of **ANC7E06**, and had initial conversation about the project, and will make a formal presentation to the ANC when she feels it is appropriate, prior to the BZA presentation.

We will also contact and arrange a meeting with the Office of Planning to present our proposed project to the staff, prior to the BZA presentation.

We have informally talked with our neighbors but will make a formal presentation to both neighbors prior to the BZA presentation.
