

STATEMENT OF EXISTING AND INTENDED USE

Donald and Kathleen Fulp

3032 24TH St NE

Washington. DC 20018

To whom it may concern,

As part of the zoning application for special exception, the existing and intended use is as follows: Existing is an old garage which provides a required parking space for the existing owner-occupied single-family house on the lot. The intended use will be to maintain the required off street parking space and to build an Accessory dwelling unit above a new garage.
