**Re: Application to the Board of Zoning Adjustment
300 7th Street, SW (Square 464, Lot 26)**

Dear Members of the Board:

On behalf of Motorola Solutions Inc.(MSI), authorized agent of the Washington Metropolitan Area Transit Authority ("WMATA" or the "Applicant"), we hereby submit an application pursuant to Subtitle C § 1305.2 of the District of Columbia Zoning Regulations for special exception approval related to building-mounted antenna requirements in the D-5 zone district at premises 300 7th Street, SW (Square 464, Lot 26) (the "Property").

The following materials are enclosed:

- Letter from the Applicant authorizing MSI and Tectonic Engineering to file and process the application;
- Completed BZA Form 135 (self-certification);
- Surveyor's plat showing the boundaries and dimensions of the building (Sheet C0001 of architectural drawings);
- Statement of existing and intended uses of the Property;
- Preliminary Statement explaining how the application meets the specific tests identified in the Zoning Regulations ("Statement in Support");
- Architectural drawings and images showing the proposed nature and location of the building-mounted antennas existing and proposed on the Property;
- Existing photographs of the Property (Sheets H0001 & H0003 in the architectural drawings);
- The name and mailing address of the owners of all property located within 200 feet of the Property, in both list and mailing label format;
- Review letters from the Office of Planning and Commission of Fine Arts;
- Certificate of service demonstrating that ANC 6D has been provided a copy of the application (see end of this letter).

WMATA is an instrumentality and agency of the District of Columbia government. As such, pursuant to 11-C DCMR §1600.3, there is no filing fee required to be paid for this application.
