Good morning,

We are filing with the BZA for a tower extension at an existing T-Mobile site located at 1800 PERRY ST NE. The tower company already obtained approval for the tower itself, and we're just looking to extend the tower to install some T-Mobile antennas. Attached are the documents required for submission. Form 154 is currently being worked on and has been submitted through IZIS. We have been notified that we need to supply the ANC board and Office of Planning with the submission as well. Please find the following documents listed below attached for your review.

Documents For Review:

- tower extension drawings
- tower extension SA
- original zoning approval for the tower
- 6409 Authorization letter
- Tower Owner Authorization Letter
- Statement of Modifications

Thanks,

James Marquez
