Charles Weil and Leigh McCue-Weil have contacted their ANC representative, Michael Sriqui, and described the planned addition, including showing him drawings of the proposed project.

Per Michael's suggestions, Charles and Leigh have reached out to their adjacent neighbors to share with them the plans for the addition, and to get letters of 'no objection' to the proposed project.

The neighbors are at:

5401 Sherier Place NW – the adjacent neighbor to the east
5417 Sherier Place NW – the adjacent neighbor to the west

The letters of 'no objection' from these neighbors have been obtained.

Charles and Leigh will submit a full statement of their efforts to the ANC no less than two weeks prior to the public hearing.

Sincerely,

Elizabeth Shepard, AIA
