Reviewer (Division) - **Hillary Seybold (Zoning)**

Denial reason:

The prior-issued C of O and Board of Zoning Adjustment (BZA) Order permitting the operation of a CDC at this address both expired in 2019. We therefore cannot process your application at this time. You will need to obtain your own BZA approval to operate a CDC in the R-1-B Zone as a special exception to the Zoning Regulations . Please visit https://dob.dc.gov/sites/default/files/dc/sites/dob/Guide%20to%20the%20BZA%20Application%20Process_11.30.2022.pdf for an overview of this process from the perspective of a DOB customer. Please also visit <https://dcoz.dc.gov/page/about-board-zoning-adjustment> to learn more about the BZA and the special exception application/hearing process. When you have obtained this approval, please apply again for a standard C of O application type (new construction/establishment, not a
