Re: Board of Zoning Adjustment Application – 3207 6th Street NW, Washington, D.C.

I, Olusola (Sola) Pyne, being duly sworn, depose and state under oath as follows:

1. I am the authorized representative and applicant for the property located at 3207 6th Street NW, Washington, D.C., which is the subject of a Board of Zoning Adjustment (BZA) application requesting relief to permit the proposed development in accordance with the D.C. Zoning Regulations.

2. In compliance with the requirements of Subtitle Y § 206.4(d) of the D.C. Zoning Regulations, I hereby affirm that:

There is no solar energy system (including solar panels, solar collectors, or any associated equipment) located on any abutting property that would be affected by the proposed construction or zoning relief requested in this application.

3. This affidavit is made in good faith to satisfy the submission requirements for the BZA application and to certify that the proposed relief will not impair access to sunlight or adversely impact any existing solar energy system on an adjoining property.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
