Address of Property: 2901 ellicott terrace

ZONING INFORMATION

Relief from section(s): D § 5201, C § 202.2

Type of Relief: Special Exception

Brief description of proposed project: The Applicant requests special exception relief for the replacement and expansion of an existing rear addition. The existing rear addition has an established rear yard setback of 13.61 feet, which does not comply with the R-1A/FH Zone requirement of 25 feet. However, the proposed expansion does not extend this non-compliant setback any further—it maintains the existing rear setback line precisely. Therefore, the expansion does not worsen the zoning non-compliance; it preserves the existing condition while providing beneficial improvements to the property.
