June 24, 2019

To Whom It May Concern at the Board of Zoning Adjustment (BZA):

Hello, my name is MILTON SUGGS and I am the owner of 1323 ^{CRITTENDEN} ~~Decatur~~ Street NW, Washington D.C. This letter shall serve as support to our (next-door) neighbor, Christopher & Marcelline Green (owners of 1216 Decatur Street NW) who are requesting a special exception from the BZA for a 2-car garage with carport structure to replace the small, 1-car garage structure that currently exists on their property. I have reviewed the plans for the new garage structure and am in SUPPORT of this project.

This larger garage structure will not negatively affect the light or air available to the back yard of our property, nor will it affect the privacy and enjoyment of our property.

Thank you for your consideration,
