Re: Foreign Missions Application
Renovation of the Embassy of Saudi Arabia in Washington, D.C., United State of America

Dear Members of the Board:

Enclosed please find for filing from the Royal Embassy of Saudi Arabia to the Board of Zoning Adjustment (BZA) for review of its application to renovate the existing Chancery and to improve security by constructing two new Security Screening and erecting a Security Fence around 601 New Hampshire Avenue, N.W.

The Royal Embassy of Saudi Arabia notified the Office of Foreign Mission before finalizing proposed site improvements and renovation in compliance with Section 205 of the Foreign Missions Act (22 USC§ 4305).

Accordingly, pursuant to Supplemental Rules of Practice and Procedure for the Board of Zoning Adjustment and Section 206 (b) of the Foreign Missions Act, the Embassy may submit its application to the BZA.

Respectfully submitted,
