Re: Support for our Special Exception Application

Dear Neighbors,

You are receiving this letter to serve as notification that we as the Owners of 222 17th Place NE are seeking to construct an infill addition at our second floor and infill addition at our basement at the rear of our home. We are also seeking to keep the existing deck that was built by the previous owner.

We are seeking your support for the proposed scope of work when we go before the BZA during its upcoming meeting. If you support our application, we ask you to please consider signing the following letter.

We thank you for your time and consideration on this matter.

Sincerely,

Lindsey Hill
