Y'all! If you're ever waiting this long again, please let me know. I'm so sorry this is late.

We're Chelsea and Eli [last name], the owners of 1234 D Street SE, directly next door to 1236. We've reviewed the plans for Devon Hinojosa's rear addition and have no concerns about light, air, or privacy. We support the project and urge the Board to approve it.
