

BZA/HPRB Application of Neil Kornze and Mara Gassmann
128 11th Street SE

I am a neighbor of Neil Kornze and Mara Gassmann who reside at 128 11th Street SE. They are seeking Historic Preservation Review Board approval and zoning relief from the District of Columbia zoning regulations to build a two-story carriage house. They have shared the drawings of the proposed work.

I have reviewed the materials and support the proposed carriage house.
