LOT PLAN: WITHOUT RELIEF WITH RELIEF

SPECIAL RELIEF BEING SOUGHT:

Special Exception relief from E § 5104: Rear-Yard, to reduce the minimum required rear yard from five feet to zero feet.

JUSTIFICATION:

1. Setback would unnecessarily create an **“unmonitored gap”** behind the property, increasing **potential rodent, health and crime concerns.**
2. Setback would separate the property from the adjacent garage, creating an **unnatural architectural “gap.”**
3. Lot size is already under 1800 sq feet. Setback would **decrease property size** by approximately **330 square feet, or 165 sq ft per floor.**
4. This can **increase privacy for neighbors.**
5. Historic Preservation Office desired a **continuous façade** and **uniform look** with adjacent buildings to maintain the **character of the area.**
6. Has **abutting property owner** and **ANC support.**
7. **FEMS** has issued a letter stating **no objection.**
8. **DDOT** has issued a letter stating **no objection.**
9. **HPRB** has issued a letter **in support.**

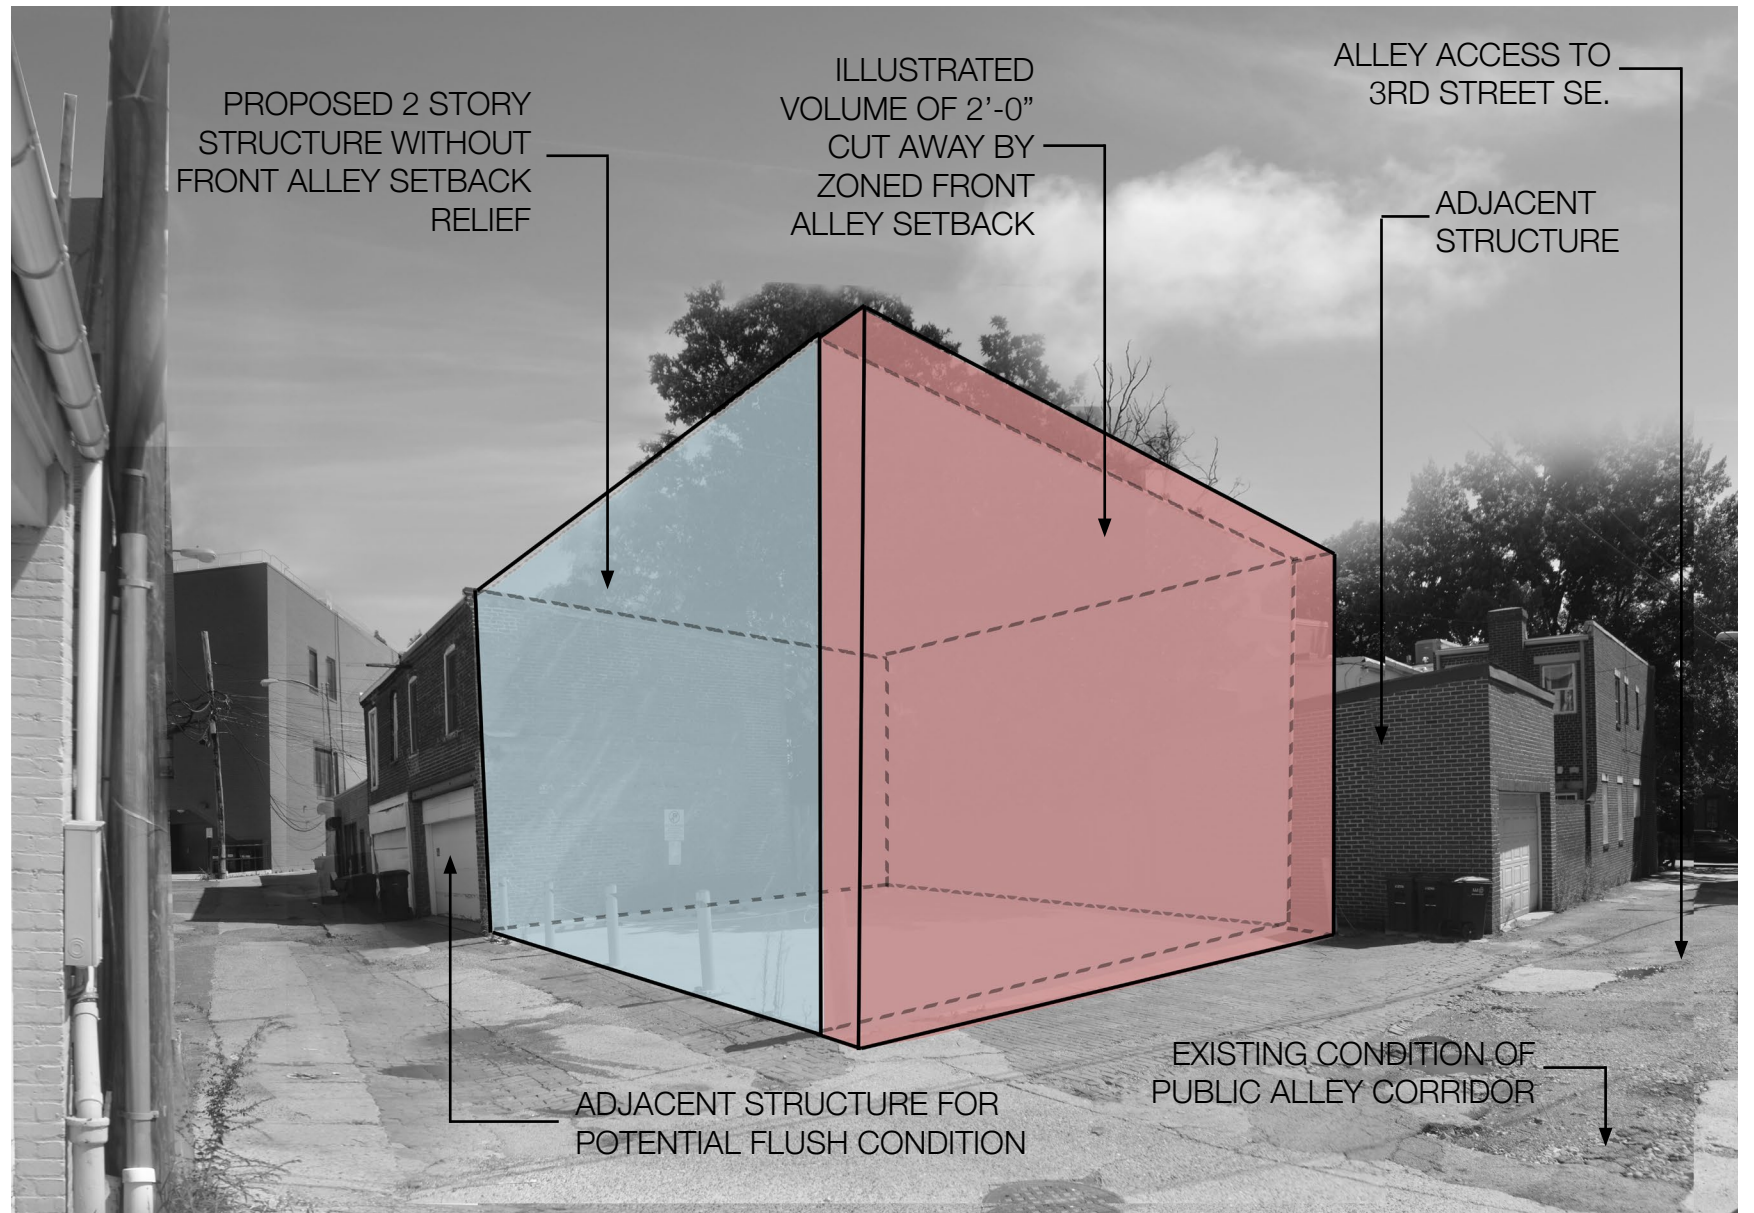

LOT PLAN: WITHOUT RELIEF WITH RELIEF

RELIEF BEING SOUGHT:

Special Exception to E § 5106.1: To reduce the setback from the center line of an alley from 12 feet to 10 feet. (Along the front of the property)

JUSTIFICATION:

1. **Property is abutting two alleys.**
2. **Property is already set back** from property **adjacent at 215 3rd Street SE.**
3. Doesn't change existing access for vehicles or emergency services equipment.
4. **Lot size is already under 1800 sq feet.** Setback would **decrease property size** by approximately **132 square feet, or 66 sq ft per floor.**
5. **Supported by Adjacent Property Owners and ANC**
6. **FEMS** has issued a letter stating **no objection.**
7. **DDOT** has issued a letter stating **no objection.**
8. **HPRB** has issued a **letter in support.**

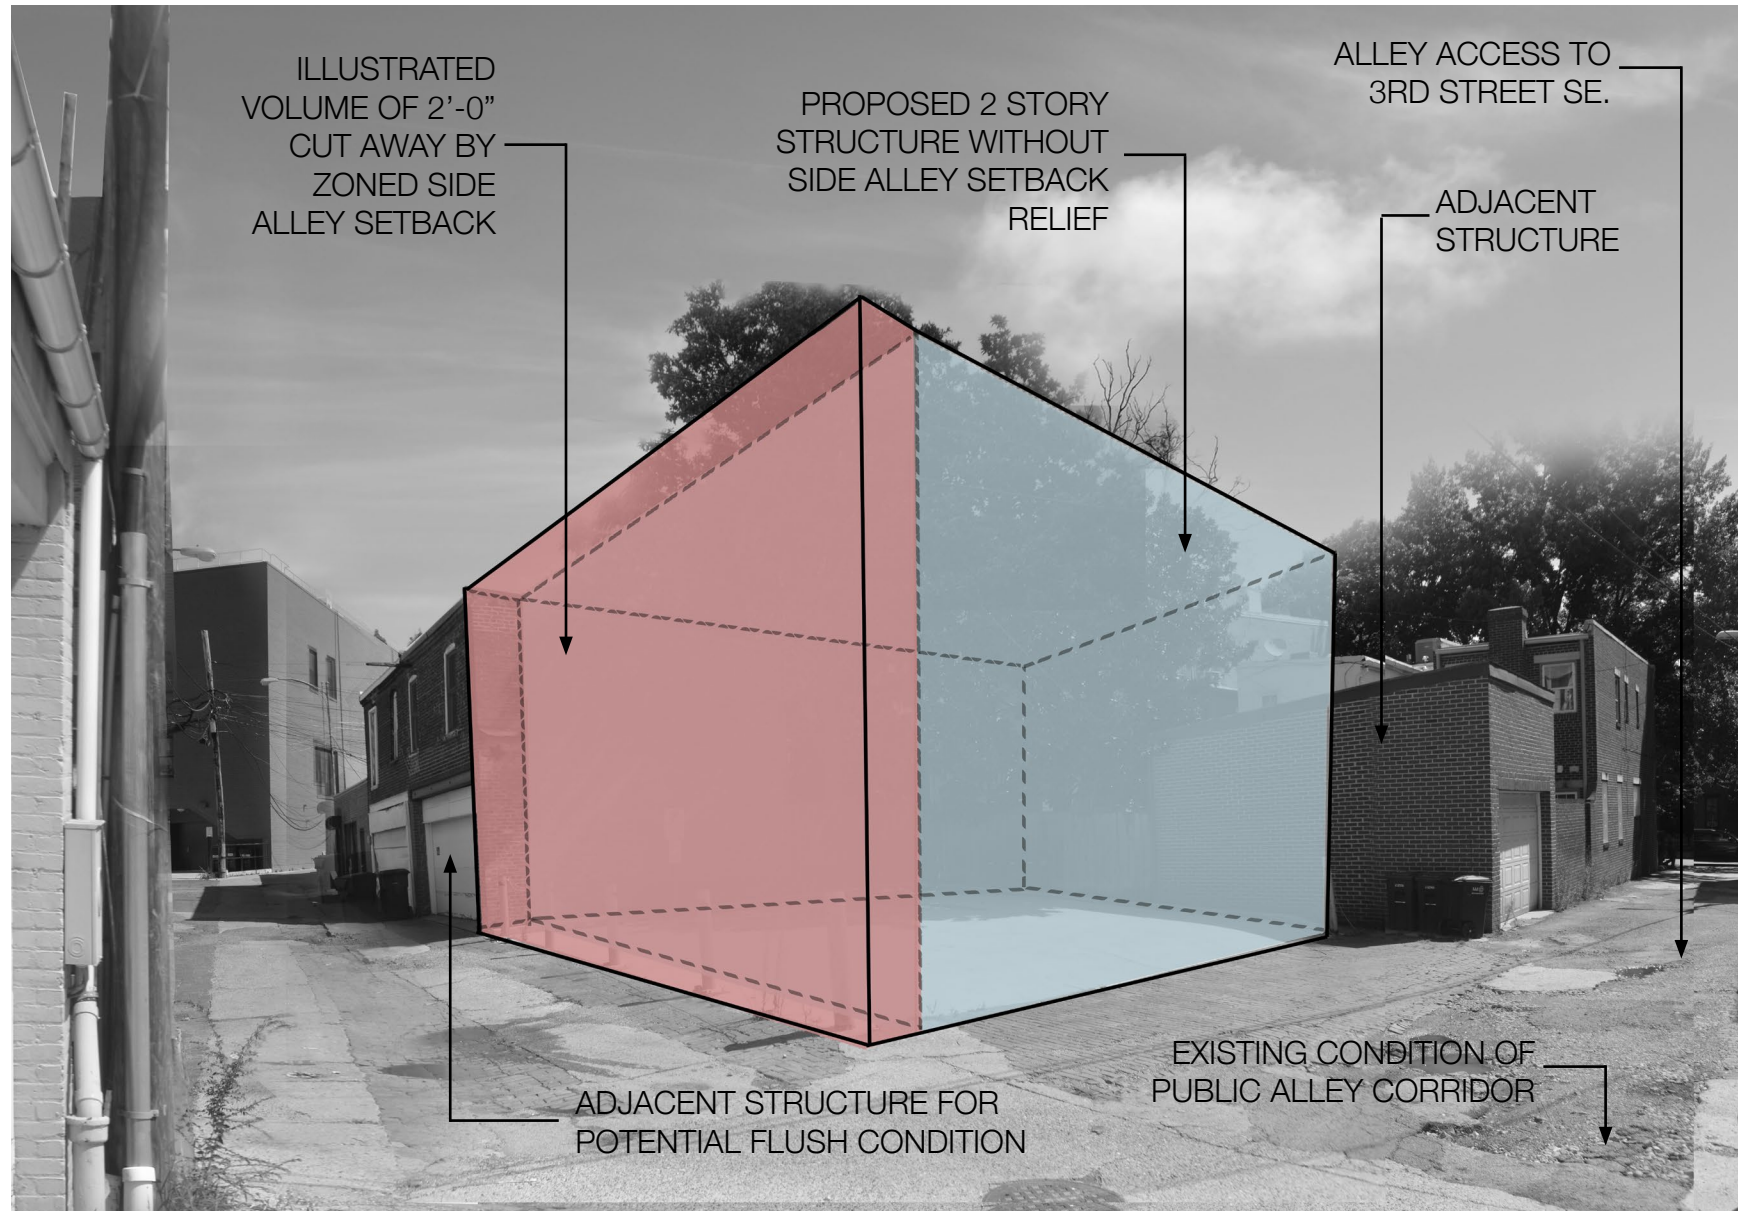

LOT PLAN: WITHOUT RELIEF WITH RELIEF

SPECIAL RELIEF BEING SOUGHT:

Special Exception to E § 5106.1: To reduce the setback from the center line of an alley from 12 feet to 10 feet. (Along the side of the property)

JUSTIFICATION:

1. In order to **preserve the historic integrity** of the neighborhood, we are seeking to **build the façade in line** with the other **properties along the alley**.
2. Bollards have existed on the property line for at least the last 40 years, without access issues.
3. **FEMS** has issued a letter stating **no objection**.
4. **DDOT** has issued a letter stating **no objection**.
5. **Lot size** is already **under 1800 sq feet**. **Setback** would **decrease property size** by **approximately 136 square feet, or 68 sq ft per floor**.
6. **HPRB** has issued a **letter in support**.

LOT PLAN: ■ WITHOUT RELIEF ■ WITH RELIEF
