Re: **Z.C. Order No. 21-20B: Request for Time Extension of Design Review Approval for 1 S Street, NW (Square 662, Lot 16) (“Property”)**

Dear Chairperson Hood and Members of the Commission:

On behalf of Steuart Investment Company (the “**Applicant**”), please find attached materials initially filed on April 8, 2026 requesting a two (2)-year time extension of the period to apply for a building permit pursuant to Subtitle Z § 705 for the Design Review approval granted in Z.C. Orders No. 21-20 – 21-20B (collectively, the “**Order**”). This Application is being filed in conjunction with a Modification Without Hearing for the Order pursuant to Subtitle Z § 703, which we are re-filing separately for administrative purposes at the request of the Office of Zoning. For ease of review and administrative efficiency, and to provide the Commission with the full context for the requests, the Statement in Support addresses both the time extension and Modification Without Hearing and the same statement is being submitted in both cases. If possible, we respectfully request that the two cases be scheduled for the Commission’s consideration on the same public meeting date.

The application package includes the following materials:

- (Joint) Statement in Support
- Exhibit A – Signature Page and Authorization Letter
- Exhibit B – Prior Orders

The Applicant is delivering the filing fee for the Application, in the amount of \$3,325.70 (representing 10% of the filing fee for the original case) pursuant to Subtitle Z § 1600.10, to the Office of Zoning concurrent with this filing, as required.

Please contact the undersigned if you have any questions or comments regarding this application. The Applicant looks forward to the Commission’s consideration of the application at an upcoming public meeting and appreciates your assistance with this matter.
