Transurban Hot Lanes Center

STEFAN DYTRT, LEED AP

Director of Interiors

EDUCATION

Bachelor of Architecture

University of Maryland, College Park, MD

AFFILIATIONS

American Institute of Architects (AIA)

LEED Accredited Professional

YEARS OF EXPERIENCE

26

An award-winning architect with over 26 years of experience in both commercial interior architecture and base building projects, Stefan Dytrt, Associate AIA, LEED AP brings a great blend of knowledge to clients seeking solutions for their headquarters, specialized facilities, or progressive office requirements. His background includes the development of client design standards, space planning, conceptual design, furniture/finish specifications, contract documents, and focused construction administration. Mr. Dytrt's project experience includes government facilities, law firms, corporate headquarters, build-to-suits, non-profits, and high-technology companies. Stefan serves as the primary contact for both the client and project team members. He develops and oversees the design and production of contract documents. His on-site experience working with the contractor helps to keep the project on schedule and within budget while maintaining the integrity of the design.
