**Re: Z.C. Case No. 00-27M (Petition for Zoning Map Amendment to Portions of Square 37, Lots 810, 811, 831, 836, 837 and 855)**

Dear Mr. Patton:

The Office of Zoning has received and reviewed the application for the petition cited above, which requests:

> A Zoning Map Amendment for portions of Square 37, Lots 810, 811, 831, 836, 837 and 855, to resolve inconsistency between principles of the Comprehensive Plan and the Present Zoning, and with D.C. Code

The Office of Zoning has determined that your application is complete, that it meets the basic filing requirements. This application has therefore been accepted for processing.

The Office of Planning (OP) will further process this application prior to it being presented to the Zoning Commission. The initial consideration given to the application concerns whether the Commission should set the case down for a public hearing. The OP will make a recommendation on that issue to the Zoning Commission at one of its monthly meetings. The Zoning Commission generally meets on the second Monday of each month (with some exceptions) in the Office of Zoning Hearing Room, Suite 220, 441 4th Street, N.W., Washington, D.C. 20001.
