Ms. Carol J. Mitten, Chair
The Zoning Commission for the District of Columbia
441 4th Street N.W.
Suite 210 South
Washington, D.C. 20001

**Re: Zoning Commission Case Number 01-02
Proposed Text Amendment on Antennas, Antenna Towers and Monopoles**

Dear Chairman Mitten:

This letter is to respectfully request that the Zoning Commission take final action on the proposed regulations identified above. We submit this letter on behalf of the three (3) wireless carriers we have represented in these proceedings: AT&T Wireless Services, Nextel Communications of the Mid-Atlantic, and T-Mobile USA.

The Office of Planning issued an initial report to the Commission in January 2001; the Commission conducted roundtables on the issues beginning in March 2001; the Office of Planning convened a number of meetings of the Antenna Task Force and contributed countless hours of staff effort; and on February 24, 2003, the Commission took Proposed Action. Yet to date, there has been no final approval of the regulations.

The final draft of the proposed regulations contains a number of provisions that are important to have finalized, and there is simply too much time and effort invested in this matter to let it idle.
