RE: Community Recommendations for the Public Benefits and Amenities Package, International Monetary Fund PUD, Zoning Commission Order #960, Conditions Numbers 8(a) to 8(e)

Dear Chairperson Mitten:

At its regularly scheduled meeting on March 16, 2005, the Foggy Bottom and West End Advisory Neighborhood Commission (Commission or ANC 2A) considered feedback from the community on the Public Benefits and Amenities Package, of the International Monetary Fund PUD, Zoning Commission Order #960, Conditions Numbers 8(a) to 8(e). With five of six commissioners in attendance, a quorum at a duly called public meeting, the following motion was unanimously approved:

> The Foggy Bottom and West End Advisory Neighborhood Commission supports the following special neighborhood beautification projects as part of the Public Benefits and Amenities Package, of the International Monetary Fund PUD, Zoning Commission Order #960, Condition Numbers 8(a) to 8(e):
>
> - Improvements to the triangular park at 24th and I Streets, NW;
> - Improvements to the triangular park at E Street, 21st Street, and Virginia Avenue, NW;
> - Improvements to the park at L Street, 22nd Street, and New Hampshire Avenue, NW;
> - Improvements to the park at 26th and I Streets, NW, including the removal of wood chips and installation of a poured-in-place safety surface and new hard-scape surface;
> - Tree replacement throughout ANC 2A; and
> - Beautification and improvements to tree boxes and installation of benches within ANC 2A.

Community members and Commissioners felt very strongly that the public amenities package should focus exclusively on neighborhood serving amenities and beatification where there are not other potential sources of government funding for improvements. Specifically and overwhelmingly, the community supported tree placement, tree box improvements, and "pocket park" improvements.

I will serve as the Commission's representative on this matter. Please feel free to contact me on (202) 607-8429 or by email at anc2a@earthlink.net for additional information.

ON BEHALF OF THE COMMISSION:

Sincerely,

Vince Micone
Chairperson
