**THESE CASE ARE OF INTEREST TO ANC 2A**

On July 16, 2019, the George Washington University (“GW”) filed three applications with the Office of Zoning (“OZ”), requesting:

- a modification of a first-stage planned unit development (“PUD”) (Case No. 06-12Q);
- a modification of a related PUD (Case No. 01-17E); and
- an amendment to a Campus Plan (Case No. 06-11Q).

On August 19, 2019, GW filed a fourth application requesting:

- a further processing of a Campus Plan (Case No. 06-11R), including ~~special exception relief from the Lot Occupancy requirements of Subtitle G § 304.1 and the Penthouse Height and Setback requirements of Subtitle C §§ 1500.8, 1500.9, and 1502.~~

GW filed these applications pursuant to Subtitle X, Chapters 1 and 3 and Subtitle Z, Chapter 3 of Title 11 of the District of Columbia Municipal Regulations (Zoning Regulations of 2016, the “Zoning Regulations,” to which all references are made unless otherwise specified). GW requested that the Zoning Commission for the District of Columbia (the “Commission”) consider these four applications together because they are necessary for GW’s proposed renovation of Thurston Hall, a residence hall on GW’s Foggy Bottom Campus, and a related temporary housing plan to accommodate students during the renovation.
