**Re: Zoning Commission Case No. 01-28TE-PUD**
**Modification @ 200 K Street, NE**

Dear Commissioner Mitten:

The purpose of this correspondence is to request that the Commission postpone the hearing scheduled on December 12, 2002 for the above referenced case. At a meeting of the Zoning and Licensing Committee (ZLC) of the ANC on November 13th of this month, the Committee requested additional information in which the applicant is in the process of providing. The full ANC meets on December 3rd and it does not appear that there would be sufficient time to comply with the request and meet again with the ZLC in advance of the December 3rd meeting of the full ANC. Additionally, we met with the DC Office of Zoning subsequent to the ZLC meeting and have a better understanding of its concerns. It is for these reasons that we request a postponement.

We are prepared to provide additional information if necessary.

Kind regards,

Fred L. Greene
