RE: ZONING COMMISSION CASE NO. 01-28TE-200 K STREET, NE

Dear Jennifer,

As we agreed on Tuesday of this week, I would like to get on your schedule to discuss a schedule for moving forward with processing the PUD modification and alley closing for the 200 K Street project. I called your scheduler on Wednesday to schedule a meeting and have not gotten a return call to date.

Jennifer, you indicated that you must get a report to the Zoning Commission on the status of the 200 K project. We are committed to moving forward with the project. We were encouraged by our recent meeting with Eric Price, Deputy Mayor for Economic Development. Mr. Price expressed an interest in seeing that this strategic site gets developed in a timely manner.

I am available to meet with you and staff at your convenience. Thanks.

Kind regards,

Fred Greene
