Re: 200 K PUD Extension Request
ZC Case 01-28/93-3

Dear Mr. Bastida:

As I indicated in a phone message to you on Monday of this week, I would like to meet with you or discuss over the phone the procedures for filing a minor modification to the above referenced PUD. As you recall, Ellen McCarthy reported at the regular meeting on June 10th that we have agreed to file for a minor modification to the existing PUD. She indicated to the Commission that such modification would be filed within 30 days. This modification, if approved, would allow the applicant to move forward with constructing the housing phase of the project in advance of the commercial component.

In order to proceed, we would need a hearing date, preferably as soon as possible. We are prepared to provide you with the documents necessary to file.

Please give me a call when you get in to discuss this request in greater detail.

Kind regards,

Fred L. Greene
